

## SEATEC ABITARE IL MARE 2012

Furniture, engineering, project & design

'ABITARE IL MARE' is a "box" of events, awards and conferences related to design.

The exhibiting area dedicated to Abitare il Mare and reserved to furniture, accessories, wellness and anything that can improve life on board, has grown in the past years and now entirely occupies pavilion D of the fair ground.

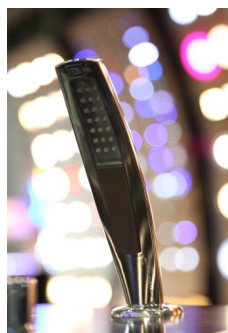

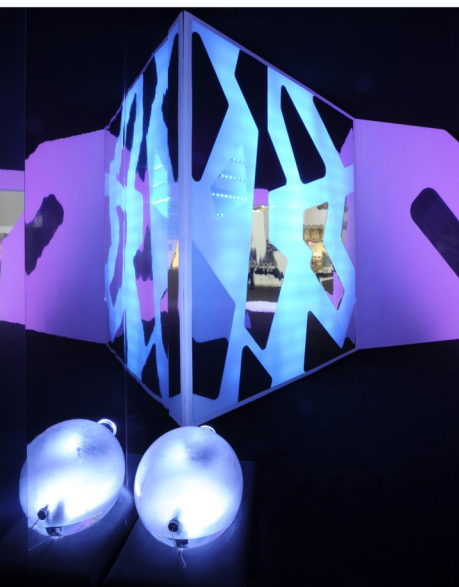

In the past two editions, the area dedicated to design and related initiatives has become a consolidated aspect, thanks to the new offers of research and experimentations aiming at presenting new life styles, including sobriety, elegance and eco-sustainability. During the past edition 2011, the concurrency with the 3<sup>rd</sup> Computec, contributed even more with innovations and design products realized with composite materials.

Furthermore **Abitare il Mare** presents:

- the winning projects of the 9<sup>th</sup> edition of the International competition dedicated to yacht design **M.Y.D.A. - Millennium Yacht Design Award**.
- the 6<sup>th</sup> edition of "Abitare la Barca", the award reserved to Universities students of Industrial Design, Nautical Engineering and Architecture working "live" and presenting their projects for life on board;
- the awarding of the 18<sup>th</sup> edition of the international design prize **Targa Rodolfo Bonetto**, founded in 1991 by the son Marco in memory of his father;
- the **Qualitec Technology Award**, 9<sup>th</sup> edition of the competition reserved to the Exhibitors presenting the most innovative and advanced products;
- the **Qualitec Design Award**, 4<sup>th</sup> edition of the award reserved to the Exhibitors presenting components and furnishings whose design contributes to the quality of life on board;
- **Art Book Lingotto di Torino**, a space dedicated to design magazines and nautical specialized press;
- the area **Project & Engineering**, an exhibiting space reserved to design, project and engineering companies.
